MEMORANDUM FOR: Chairman, Committee on Procurement
of Foreign Publications, United States
Intelligence Board

SUBJECT: Status Report of Soviet Military
Serial Publications for 1960

1. The Moscow Publications Officer has advised the Department that Soyuzpechat' has refused 1960 subscriptions to the following USSR military serial titles:

1. Illyustrirovannaya Gazeta
2. Vestnik Vozdushnogo Flota
3. Vestnik Protivovozdushnoy Oborony
4. Voenno-Meditsinskiy Zhurnal

2. With the exception of item No. 3 above, the remaining serials were available to the PO during 1959. It is recommended that the respective services be requested to advise PROCIB of the extent to which these titles have been received by them since January 1, 1960. In instances where a given title is being received, it is suggested that it be loaned to ICD/FP to permit reproduction of additional copies to meet total USIB and related needs. The issue will, of course, be returned to the lender following reproduction.

3. The PO also reported that 1960 subscriptions have been accepted to the following 3 titles:

1. Sovetskiy Voyn
2. Voenno-Istoricheskiy Zhurnal
3. Voennoye Znaniya

4. In addition, the availability of the following military periodicals, although not generally available on a subscription basis, should also be determined:
